

Connecting to divine services via telephone

- Dial the relevant phone number closest to your state / country as shown in the table below
- When prompted enter the **webinar ID number** (as shown in the table), followed by the **hash (#) key**
- You will be asked for a password – please ignore this and click on the hash (#) key again. You will then be connected to the service

Please note: - interstate / international call rates may apply depending on the location you are calling from
